

Price List

Our friendly clinical team will chat with you about the best medication and dosage for your needs during your consultation. Once prescribed, you'll complete payment for your medication and receive ongoing support to help you stay on track and reach your weight loss goals.

What's included in the price?

- ✓ One-to-one consultations with our healthcare professionals, who will adjust your dosage as needed throughout your journey
- ✓ Weight loss medication suited to your needs
- ✓ Expert guidance and educational support to help you achieve your goals
- ✓ Collaboration with your GP to ensure safe and ethical care
- ✓ everything you need to start safely, including your medication, sharps bin, and wipes
- ✓ Free, convenient home delivery
